
IVAN PUHA

Queens, New York 11374 | +1 (929)-944-9607 | unsightly@gmail.com | ivanpuha.com

Summary

I am a Software Engineer with three years of experience, specializing in front-end development and modern JavaScript frameworks. I have contributed to a wide range of web-based projects, optimized for both desktop and mobile platforms, using technologies such as React, Node.js, PHP, WordPress, CSS3, and SCSS. Known for being a positive, communicative, and collaborative team member. Highly-motivated employee with desire to take on new challenges. Strong work ethic, adaptability, and exceptional interpersonal skills. Adept at working effectively unsupervised and quickly mastering new skills.
